Pune, Maharashtra | +91-8830480740 | krishchaudharihere@gmail.com | [Linkedin](#) | [GitHub](#)

Education

RMD Sinhgad School of Engineering B.E. in Computer Engineering - CGPA: 8.69/10	Aug 2023 - June 2026
MET Bhujbal Knowledge City Diploma in Computer Engineering- Percentage: 86.69%	Aug 2020 - July 2023

Technical Skills

Cloud & DevOps: AWS (EC2, IAM), Docker, CI/CD (GitHub Actions), Linux

Backend: Node.js, Express.js, REST API Development

Frontend: React.js, HTML5, CSS3, Bootstrap

Databases: MySQL, PostgreSQL, MongoDB

Languages: JavaScript (ES6+), Java, Python

Tools: Git, GitHub, Postman

Core Concepts: Data Structures and Algorithms, OOP, Debugging

Experience

Frontend Developer Intern – Coding Savvy Dec 2024 - Jan 2025

Project: ISKCON IT Cell

- Developed responsive React components and integrated REST APIs
- Collaborated using Git in team-based workflow and resolved integration issues
- Debugged application errors and improved overall system reliability

Projects

ResumeSmart AI Agent – Full Stack Application | React.js, Node.js, Express.js, PostgreSQL, LLM | [View Project](#)

- Deployed full-stack application on AWS EC2 using Docker containers
- Containerized backend services to ensure consistent runtime across environments
- Managed deployment, server setup, and environment configuration on Linux

Finance Tracker Web Application | React.js, Node.js, Express.js, MySQL, JWT | [View Project](#)

- Built REST APIs with authentication and optimized backend performance
- Structured application for deployment with proper environment configuration
- Improved database query efficiency and response time

PulseHR – Employee Leave Management System | React.js, Node.js, Express.js, PostgreSQL, JWT | [View Project](#)

- Developed role-based system with secure API integration
- Designed database schema and handled backend logic
- Debugged and improved API performance and system stability

Certifications

- **Java Programming** – NPTEL
- **Operating Systems** – NPTEL
- **Enterprise Grade Artificial Intelligence** – IBM
